This year the race will begin and end at Sea Bee Park and the routes will be around Lake Ft. Phantom. The Key City Amateur Radio Club helps by setting up around the course and counting cyclists. Allen Brooks, **KF5SPQ** will serve as net control.

Dale Durham, **W5WI** reported some refinements to the planned positions and noted that the observers on the short route will also see the longer route cyclists returning.

Allen Brooks, **KF5SPQ** reminded all that the plan is for the amateur radio operators to arrive at 0915 or so and answered a question that the race usually ends at 1400 or so.

Other discussions confirmed various minor details.
