## Old Business

### Field Day

Ron Harden, Jr, **WT5X** raised the question of whether the club would operate as a group for Field Day. A lengthy discussion considered several possible sites without finding a good option. The discussion led Randy Robinson, **N5JZH** to remark that we may not have space for our traditional Field Day dinner.

Peg Richard, **KA4UPA** asked if our usual system for logging contacts will be used. Randy Robinson, **N5JZH** answered that our usual setup is expected to be available.

Ron Harden, Jr, **WT5X** called for a show of hands in support of a club Field Day event. 11 members of 17 present raised their hands. A motion to make this

decision official was made by Steve Roberts, **KG5QH** and seconded by Henry Kearny, **AE5SL**.

*The motion was carried.*

A committee was appointed to address the remaining issues and report at the next meeting.

Randy Robinson, **N5JZH** asked about details of the Field Day contest rules. Ron Harden, Jr, **WT5X** mentioned that a copy of the rules is on the club's Web site.

## New Business

### Presentation for the June meeting

Ron Harden, Jr, **WT5X** called for a volunteer to present after the June meeting. Randy Robinson, **N5JZH** and Henry Kearny, **AE5SL** reported that they are planning a presentation, but it will not be ready for the June meeting.

### Upcoming Test Session

Dale Durham, **W5WI** announced that there would be a test session on the first Saturday in June that was expected to be the last session before the new FCC administrative fees are enacted.

Having no further business, a motion to adjourn the meeting was made by Peg Richard, **KA4UPA** and seconded by Steve Roberts, **KG5QH**.
